BENEFITS AT A GLANCE

RBMA provides members with a wide spectrum of specialized resources, information, and support to ensure they stay on the leading edge of the radiology business management field.

ESSENTIAL RESOURCES

Late-breaking e-Alerts

With our fast-acting e-alert system, RBMA keeps you in the know on the latest legislative and regulatory changes in the field to ensure you're on the forefront of the industry.

RadCast Newsletter

Delivered weekly via email, RadCast ensures that you never fall behind on industry news.

Washington Insider

Stay up-to-date on legislative and regulatory developments in the radiology industry with these weekly newsletters.

RBMA Bulletin magazine

This journal provides the in-depth knowledge into the radiology business industry you need to stay current.

INSTANT NETWORKING

Online Forums

RBMA's online forums enable you to connect with colleagues, ask the questions most pertinent to your needs, and receive immediate, actionable feedback and solutions.

Online Member Directory

Making lasting connections is just a click away when you search for other RBMA members by name, company, or location.

RBMA Gateway

Never re-create the wheel again! Upload and share documents with colleagues in the RBMA Community Gateway, or search for a research or hot topic you are looking for more information on!

POWERFUL EDUCATION

Annual PARADIGM Conference and Niche Topic Seminars

Nothing beats connecting with colleagues to exchange specialized insights. RBMA makes it easy to meet your peers face-to-face and learn from their experiences and expertise.

RBMA U

This innovative online learning environment brings comprehensive education opportunities and resources to you 24/7, allowing you to learn at your convenience while avoiding costly travel expenses.

Continuing Education Program

Never stop learning with the many RBMA seminars and sessions that qualify for Category II (non-ACHE) CE Credits, Category A CE Credits, NASBA CPEs, RCC CEU Credits toward Recertification, and RBMA Continuing Education.

INSIDE INFORMATION

DataMAXX

RBMA's innovative new practice analytic solution that takes benchmarking to new levels through the combination of your practice's information and state-of-the-art technology and data query protocols.

Radiology Hot Topic Surveys

Easily get answers to your most burning questions. These biweekly surveys poll RBMA members on the latest issues and report back the responses.

Radiology Marketing Toolkit

Get the inside information and pro tips you need to effectively market your radiology practice.

RBMA Compliance Training Series

A low cost approach to satisfy Federal requirements for annual employee compliance training, mandatory for all radiology practices and covered entities whose employees work with Patient's Private Health Information (PPI).

HELPFUL DISCOUNTS

Affinity Discount Program

RBMA has signed agreements with a variety of affinity partners to help you save on shipping, equipment maintenance and even rental cars!

Career Center

Get your job postings in front of highly qualified candidates at a discounted rate, or as a job seeker, find a job for FREE!
